

# HOW IS URBAN MOBILITY GENDERED?

Structural forces in society create gendered differences in how, where, when and why we travel in the city.

## PERCEPTION OF SAFETY

Better walk than take public transports

I don't feel safe biking here after 9PM

## ECONOMIC RESOURCES

I hope the bus is not full

Driving is the fastest way to work

## GENDERED DIVISION OF LABOUR

peak hours

off-peak hours

trip-chaining
