

The C40 Clean Bus Declaration

Created by cities within the C40 Low Emission Vehicles Network the Clean Bus Declaration represents cities and mayors coming together to demonstrate their commitment to low emission bus fleets.

C40
CITIES
CLIMATE LEADERSHIP GROUP

The 26 C40 signatory cities represent over 165 million urban citizens across 20 countries

Potential clean bus GHG savings by 2020 (tCO₂/yr)

Emissions savings based on the fleet data of the 26 signatory cities

1.3m

tons per year

100% of all new buses by 2020

2.1m

tons per year

75% of the total fleet by 2020

2.8m

tons per year

100% of the total fleet by 2020
